HERE'S YOU A TUNE

Words & Music by Ronny Whyte

Verse:

While traveling through Texas
The other day
I ordered me some coffee
And I heard the waitress say
"Here's you a spoon".

Now in all my born days
I had never heard that phrase
So I was inspired –
Therefore (Ergo)
Here's you a tune

Chorus:

Here's you the truth
I you love
Better for or worse

Here's you my heart
It's dear yours
Speaking in reverse

It's folly I know
But I'm so hopey
Someday you will care
Nevertheless,
Maybe this dopey song
Will lead us somewhere

Here's you my love
Told be truth
Passionate as can be
So I'll keep on praying
To hear you say
"Here's you a me"
